

# L I N

'Cutting through darkness'

Designed by  
Peter Straka  
Vienna 2005-07

L I N features three vertical luminaires fixed at a central point; a statement suspension light.

Process: The base material of the L I N range is brass. The brass is cut, bent in its shape. The brass gets polished. Then all the components are nickel plated. Lastly the lighting object is wired and assembled.

## L I N

Suspension  
Pendant

Type	Suspension light
Material	Solid brass
Environment	Indoors
Dimensions	500/300 x 125 mm
Cable Length	1500 mm
Stem Length	500 mm

Weight	0.4 kg
Certification	IP20 CE
EU/UK	230 V
Ceiling Rose	Ø 80 x 25 mm; flat Ø 100
Lamps	3 x Linear opal LED S14d*, 3 x 7/4.5 W, 2700 K, Mains ( Phase) dimmable, 3 x 450/250 lm, energy class A
060 01 101 11	polished nickel with transparent cable

\* On very rare occasions, these lamps may appear to have a slight buzzing or flickering. As is the case with all retro LED lamps, this is likely caused by a number of outside influences such as incorrect installation, wiring, dimming or transformers and in some instances low electrical resistance.

\*\* Please contact sales@kaialighting.com for further information on dimmers etc. Please note KAIA Ltd cannot take any responsibility for the connection with your dimming or central control system. It is the customer's responsibility to ensure the compatibility with their systems.
